16:50	Open Discussion
17:00	Word of thanks by: Dr Kinkini Dasgupta Misra , Senior Scientist, Vigyan Prasar

ABOUT STIP FORUM

The STIP Forum has been set up with the objective of promoting debate on various aspects of Science, Technology and Innovation Policy. It would go beyond the disciplinary boundaries by taking into account the inter-sectionality of STI. It aims to bridge the gap between the science and society and help in dissemination of scientific achievements as well as for generalizing debate on societal aspirations and promoting responsible research and innovations. The monthly lecture series has been launched to sensitize the public discourse on science, technology and innovation policy. Research and Information System for Developing Countries (RIS), The Energy Resources Institute (TERI), Centre for Science and Environment (CSE), Indo-French Centre for the Promotion of Advanced Research (CEFIPRA), Vigyan Prasar and India Habitat Centre (IHC) are collaborative partners.

RSVP:

Dr Kinkini Dasgupta Misra, Senior Scientist, Vigyan Prasar
